

Following consideration by the Appeals Council, the Commissioner has determined that remand is warranted in this case. The Commissioner requests that—under the fourth sentence of 42 U.S.C. § 405(g)—the Court remand this case, and the Court grants this motion. The Administrative Law Judge is directed to take the following actions: to reassess the mental status consultative examination of Dr. Zeisz; to obtain an updated mental status consultative examination; to reassess Plaintiff’s residual functional capacity and resolve any inconsistent findings regarding her ability to perform work; to obtain supplemental vocational expert testimony; to address the evidence submitted to the Appeals Council at the request for review level; to provide Plaintiff the opportunity for a new hearing; and to issue a new decision.

**IT IS, THEREFORE, ORDERED**, for good cause shown, that Defendant's Motion for Remand, (Doc. No. 14), is **GRANTED**. The Clerk of Court is directed to close this case.
